Fort Myers, FL | 786-334-0546 | emilmdiaz@gmail.com | [LinkedIn](#) | [Portfolio](#)

Education: Nielsen Norman UX Cert. '23 | Google UX Cert. '21 | FIU, B.S. Biology '18

Product designer with 5+ years of solving complex, systemic gaps in B2B & B2G enterprise products, using a combination of UI/UX and technical knowledge to close the gap between what's designed and what actually ships.

WORK EXPERIENCE

Booz Allen Hamilton

Senior UX Designer | July 2023-Present

- Contributed to 12+ initiatives on the product during a period when VA Appeals decisions increased by 23%.
- Improved efficiency to the project work by developing Figma plugins that expedited the wireframing process and working with AI models and MCP servers to further bridge the design to developer gap.
- Improved the UX team's design system and documented discrepancies between it and our developers' codebase.
- Ensured that both new and existing components were 508 accessible for sight and mobility-impaired users.
- Created an interactive onboarding guide and an online glossary of VA terms that reduced internal onboarding ramp-up time from 6 to 5 months.
- Presented on UI/UX topics at a VA-wide, multi-project community of practice for UX professionals.

UX Designer | June 2022-July 2023

- Designed & presented wireframes and prototypes for a case management software used by the VA.
- Involved from the requirements gathering phase to the technical solutioning phase of over 12 development teams.

SIDE PROJECTS

Booz Allen Hamilton, X&D Advisor Hub

0-1 Ownership | September 2025-Present

- Created a PowerApp to support acquisition and retention of advisors and advisees into the advisership program.
- Ran onboarding sessions at a quarterly cadence for new cohorts of advisors and advisees.

Reach 4 Help

UX Lead | October 2021-December 2023

- Conducted research and designed wireframes for a cross platform, disaster relief application.
- Contributed to the pitch deck presented to investors and VCs at Google's Geo for Good Summit.
